Silicon Valley Innovation and Entrepreneurship Forum
565 Clyde Avenue, Suite 600
Mountain View, CA 94043

Dear Friends,

It is with great excitement that I extend a warm welcome to all who have gathered here at the Santa Clara Convention Center for the Silicon Valley Innovation and Entrepreneurship Forum. It is an honor to be the Chairwoman of the 3rd Annual Conference and help connect some of the most successful individuals of commerce and entrepreneurship together.

The Silicon Valley Innovation and Entrepreneurship Forum (SVIEF) is currently the most influential forum that brings together business people from both the United States and China. The forum continues to foster innovation and promotes business partnerships between the two countries with its incredible speakers and attendees.

This year's theme, "Explore the Future of Innovation," is a great reflection of the conference's impact on the business world. I commend SVIEF for including highlights such as "Women in Innovation" and the "US-China Night Banquet". This is a remarkable opportunity for people to learn about cutting-edge technology, exchange ideas, seek business development and expand their network. With many new features, I believe Silicon Valley Innovation and Entrepreneurship Forum 2013 is sure to surpass last year's impact.

On behalf of the United States House of Representatives and the people of California's 27th Congressional District, I offer my congratulations and best wishes for your future success!

Sincerely,

JUDY CHU, Ph.D.
Member of Congress, 27th District
